UNION LENTEN SERVICES

First of Weekly Meetings Held at Trinity Episcopal Church
Rev. E. C. Acheson of Middletown Preaching.

The first of the union evening Lenten services for Christ and Zion, which the Episcopal churches have held Wednesday evening at Trinity church, having a congregation of good size attending, considering the rainy night. The rectors of the two churches, Archdeacon Brown and Rev. Nelson Pease Carey, conducted evening prayer, and the sermon was by Rev. E. C. Acheson of Middletown.

For the opening Lenten thought, the visiting preacher presented the theme of the blessedness of the man whose strength is in the Lord, speaking from the text found in Psalm lxxviii, 5, 6. Blessed is the man whose strength is in thee; in whose heart are the pilgrim ways of Zion. Passing through the valley of weeping they make it a place of springs; yea, the early rain covereth it with blessings. They go from strength to strength, every one in their appointed place before God in Zion.

It is the blessedness of those who struggle that is indicated in the text. There is a constant struggle through the scriptures for people to be strong. The preacher told of the great enthusiasm for the Lenten services in the pilgrim ways of Zion. The great enthusiasm for the Lenten services in the pilgrim ways of Zion. The great enthusiasm for the Lenten services in the pilgrim ways of Zion.

The secret of making it a blessing is the man whose strength is in God. He said, not because he was president, but because in the last four years of his life he manifested the secret of making it a blessing.
